

Automotive and Aerospace

Specialised partitions, screens, curtains and external structures

Flexiwall® industrial partitioning

- Adaptable segregation for dust, temperature, noise and odour control
- Installs quickly and cleanly
- Durable and impact absorbing
- Translucent material options available to ensure light transit

Flexiscreen® high grade building screen

- 99% dust tight seal
- Wind load and structural calculations offered
- Easily reconfigured during phased works
- Requires less floor space compared to scaffold sheeting
- No ongoing hire cost

HOARDFAST®

- Free-standing 'click' together system for fast install and minimised disruption
- Simplified purchase and self installation
- Rapid delivery - hire or purchase
- Consistent modular system for repeat use

Flexicurtain® industrial curtain

- Contain dust, hazardous fumes and odours
- Any height or length
- Internal and external solutions available
- Quick and clean to install
- Suspended track options available

We have created customised solutions for...
